

Our Philosophy

CLAT APEX was incorporated with an aim to provide quality education and mentorship to the students, so that they can excel in all the law entrance exams and can study in the law school of their choice. CLAT APEX is unique for the mentorship and personal guidance that it imparts to students and its dedication towards their success.

We at Clat Apex aim to make CLAT accessible to all who are disadvantaged in terms of location and economic condition.

CLAT APEX is an institute that will make you special for ever so that you use your skills in your domain forever

From Founder's Desk

Jyotshna Yashaswi

Founder of CLAT APEX

Law is not merely a profession but it is a tool for the well being of the society.

Law entrance exams have been giving a way to the law aspirants to fulfill their dream of studying at a top law school.

We believe every student has its unique way of preparation and should be mentored according to their needs. A competitive exam requires hard work, dedication along with confidence.

The personal mentoring program of CLAT APEX makes sure that each and every student is well prepared as well as confident enough to crack the exam.

The limited number of students in a batch at CLAT APEX is the main point of difference from the rest of the coaching which would allow the mentor to give personal attention to each and every student.

The personal guidance of the team will ensure a healthy environment for the process of learning.

Why CLAT APEX

CLAT APEX

- ✓ Batch of only 12-13 students so that each and every student is given due attention in class.
- ✓ Experienced faculty from top National Law Universities.
- ✓ Two way interaction in the class unlike live streaming classes.
- ✓ We believe in delivering results with highest selection ratio. 5 out of 7 students from our batch of 2020 have placed themselves in top law schools of the country.
- ✓ A personal coach cum mentor in addition to subject faculties to boost up your preparation (Remember even Arjuna needed a Guru).
- ✓ Daily doubt sessions with faculties (feel free to ask your silliest doubt).
- ✓ You don't have to pay hefty amounts , all this is possible in the minimal fee that you could ever think of.

Other Institutes

- ✗ Overcrowded batches with 100 + students.
- ✗ A batch of 200 - 300 students where you will get zero interaction with faculties.
- ✗ Your doubts will remain unheard in an overcrowded batch.
- ✗ 50 students clearing CLAT out of a batch of 1000 students is not a big deal.
- ✗ You may not have the perfect strategy for yourself (one strategy cannot work for every student). You are different from others and you need your personalized strategy to ace law entrance exams.
- ✗ It will be limited to classes with no doubt sessions.
- ✗ You will have to pay unreasonable and hefty fee .

Testimonial

When I started my preparation, I was clueless about the nuances and the approach of the exam one aspirant should have, and seeing the hefty fees, the big coaching institutes were charging, they were not an option for me. At that time, CLAT APEX came to my rescue, with teachers from established NLU's and the one-to-one mentorship program, clearing CLAT felt like a child's play. I want to give special thanks to Jyotshna ma'am for being a mother-like figure throughout my journey and motivating me even in the toughest times. A special thanks, to Vipul Sir, who cleared even the silliest doubts of mine, in Legal Reasoning classes.

To Aditi ma'am, who has been the sweetest teacher I've known and with the smartest tricks one could teach you for acing the Logical reasoning section.

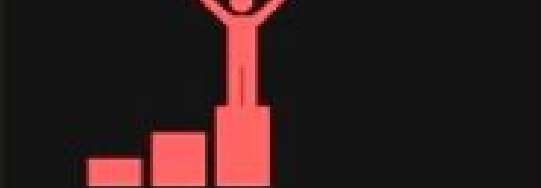

To Sourav Sir, who has the most pragmatic approach when it comes to current affairs, his topic lists did help me out throughout.

Overall, if you are looking for a budget-friendly coaching cum mentorship program, CLAT APEX should be your go-to place.
